

Emerge USA PAC is a political action committee that endorses and raises money for state and federal candidates based on their support for civil rights, minority rights, and a diverse America where under-represented communities are seen as a part of the social fabric of our nation.

Endorsements are not made in every elected race because the endorsement is based upon the interest of the candidate in building a relationship with our community. If no candidate is endorsed for a particular elected position then neither candidate has developed a significant enough relationship with the minority community members for an endorsement.
